Advanced Beneficiary Notice – Refraction

A refraction (CPT 92015) is the determination of eyeglass prescription. A refraction is not necessary as part of a comprehensive eye exam. Our fee for the refraction is \$32. Patients without traditional medicaid may be billed for the refraction. Patients with QMB medicaid may be billed for the refraction. Patients who receive care in their home may be billed for the refraction.

Advanced Beneficiary Notice – Eyeglass Options

If you have selected to order new eyeglasses through Mobile Vision Care please be aware that various options are available for the new eyeglasses. **OPTIONS ARE NOT REQUIRED TO UTILIZE YOUR MEDICAID EYEGLASS BENEFIT.** The following certification applies to patients utilizing their medicaid eyeglass benefit.

Patient Certification: I was offered a selection of serviceable glasses at no cost to me, but I desired a type or style of eyewear beyond Medicaid / Medicare program benefits. *I will be responsible for any balance for eyewear beyond Medicaid / Medicare program benefits.*
